CONDIZIONI GENERALI DI VENDITA

Le condizioni di vendita qui indicate si ritengono integralmente accettate dall'acquirente con il conferimento dell'ordine. IMPERFETTOLAB emetterà alla ricezione dell'ordine una fattura pro-forma; salvo diversamente concordato, è previsto il versamento di una rata all'ordine tramite bonifico bancario: solo alla data di accreditamento del bonifico da parte della banca di appoggio del fornitore IMPERFETTOLAB si riterrà impegnato a produrre la commessa. Ogni eventuale disaccordo sulle condizioni della nostra fattura pro-forma deve essere segnalato entro 3 gg. dalla data di ricevimento via e-mail della conferma. A causa dei processi artigianali impiegati nella produzione potrebbero esserci variazioni minime nelle dimensioni e nel colore tra i prodotti forniti, le immagini e le dimensioni del presente listino. IMPERFETTOLAB si riserva di apportare ai propri prodotti, senza alcun preavviso, eventuali cambiamenti o modifiche ritenute necessarie per il miglioramento delle caratteristiche tecniche o per esigenze commerciali.

PREZZI

Il presente listino annulla e sostituisce il precedente e può essere variato in qualsiasi momento. I prezzi sono espressi in Euro. I prezzi sono al pubblico, IVA e trasporto esclusi.

TERMINI DI CONSEGNA

Qualora non concordato diversamente, l'Azienda produce il prodotto entro 8 settimane circa dalla conferma dell'ordine da parte del Cliente. Per le lavorazioni speciali i tempi di produzione verranno definiti alla conferma dell'ordine. I termini di consegna esposti nelle conferme d'ordine hanno unicamente valore indicativo. Non si accettano penalità né responsabilità per ritardata consegna. Il ritardo nella consegna non legittima l'Acquirente ad annullare in tutto o in parte l'ordine. Le consegne possono essere frazionate.

TRASPORTO

Le merci s'intendono consegnate nel momento in cui vengono messe a disposizione dell'Acquirente presso il magazzino del Fornitore.

Anche qualora in deroga venga pattuita la consegna franco destinatario, tutte le operazioni di carico, trasporto e scarico della merce sono compiute sempre per conto e a completo rischio dell'Acquirente, anche nel caso in cui il vettore sia stato scelto dal Fornitore.

RECLAMI

Piccole variazioni di forma, dimensioni, texture e colore non sono da considerarsi difetti ma parte del processo manuale e artigianale di fabbricazione del prodotto. I reclami per difetti presunti di lavorazione si accettano solo se comunicati per iscritto entro 8 gg. dal ricevimento della merce. I reclami per danneggiamenti avvenuti durante il trasporto, andranno direttamente contestati al Corriere sulla lettera di vettura e comunicati a IMPERFETTOLAB per l'autorizzazione al rientro. L'accettazione del reso autorizzato da IMPERFETTOLAB non presuppone la sostituzione della merce. IMPERFETTOLAB respingerà al mittente i resi non autorizzati.

RISERVA DI PROPRIETÀ

Il Fornitore conserva la proprietà dei prodotti forniti fino al totale saldo della fornitura, e perciò l'Acquirente non potrà né alienarli, né darli in pegno, né trasferirli altrove.

Qualora si addivenga alla risoluzione del contratto per inadempimento dell'Acquirente gli acconti già pagati rimarranno acquisiti dal Fornitore a titolo di indennità salvo il disposto dell'art.1526 c.c.

GARANZIA

Il Fornitore presta la garanzia di un anno sulla merce venduta a decorrere dalla data di spedizione. La garanzia automaticamente decade se il difetto derivi dalla condotta dell'Acquirente, se i prodotti risultino manomessi, o utilizzati in maniera difforme dal loro normale impiego, o siano stati riparati da terzi.

Eventuali vizi o difetti dei prodotti venduti dovranno essere denunciati al Fornitore per iscritto, entro 8 giorni dalla loro avvenuta consegna. I prodotti oggetto di contestazione potranno essere rispediti al Fornitore solo previa intesa caso per caso.

In ogni caso la garanzia sui prodotti difettosi si intende limitata alla riparazione o sostituzione degli stessi, esclusa ogni altra responsabilità. Le spese di spedizione dei prodotti inviati al Fornitore in applicazione della presente garanzia, come pure eventuali spese di imballo e ogni altra spesa accessoria sono integralmente a carico dell'Acquirente.

ESONERO DA RESPONSABILITÀ

L'Acquirente si dichiara a conoscenza di tutte le limitazioni e le norme di sicurezza relative all'impiego dei prodotti ordinati, essendo quindi esclusa ogni responsabilità del Fornitore per qualsiasi danno diretto o indiretto causato a persone o cose dall'impiego dei prodotti forniti.

FORO COMPETENTE

Per qualsiasi controversia relativa alla validità, all'interpretazione, all'esecuzione e/o alla risoluzione della vendita e delle presenti condizioni sarà competente il Foro di Bologna.

GENERAL SALES TERMS

Sales terms indicated below are considered fully accepted by the customer with the order submission.

IMPERFETTOLAB will issue a pro forma invoice upon receipt of the order; unless otherwise agreed, down payment is expected at time of order by bank transfer: only as of date of accreditation of the bank transfer by the supplier's bank IMPERFETTOLAB SRL will be undertaken to produce the order. Any disagreement on the conditions of our pro forma invoice must be reported within 3 days of the date of receipt of the confirmation by mail.

Due to the artisanal process employed in the manufacturing of the products, there may be small size and/or colour variations between the supplied products, images and this price list. IMPERFETTOLAB reserves the right to make changes and modifications to its own products as retained necessary to improve technical characteristics or for commercial reasons, without any prior notice.

PRICES

The current price list cancels and substitutes the previous one and can be changed at any time. The prices are public prices expressed in Euro, Vat and taxes excluded, Ex works.

DELIVERY TERMS

Unless otherwise agreed, the company shall deliver the standard products within approximately 8 weeks from the date of order confirmation by the customer. For special workmanship lead time will be agreed at order confirmation.

The delivery terms indicated in the order confirmation only have an indicative value. Penalties or responsibility for delays in delivery are not accepted. The delay in delivery shall not entitle the Buyer to cancel the entire or part of the order. Deliveries can be broken in two or more parts.

SHIPPING AND DELIVERY

The goods shall be deemed to be delivered when they are made available to the Buyer at the Supplier's warehouse. Even if an exemption has been agreed, the whole loading, transport and unloading of goods are always to be made on behalf of and at the Buyer's own risk, even if the carrier has been chosen by the Supplier.

COMPLAINTS

Small variations in shape, size, texture and/or colour are not to be considered flaws but part of the manual and artisanal process of the products. Return complaints for presumed production defects shall only be accepted if notified in writing within 8 days from receipt of the goods.

Complaints for damage occurred during transportation must be indicated on the transport document for the carrier and communicated to IMPERFETTOLAB for return authorisation. Acceptance of returned goods by IMPERFETTOLAB does not presuppose replacement of the goods. IMPERFETTOLAB shall refuse to accept returns from the senders that are not authorised.

TITLE RETENTION

The Supplier retains ownership of the supplied goods until their full payment. Therefore the Buyer is not entitled to sell them, nor to give them in pledge, nor to transfer them anywhere else.

In case of termination of the contract for the non-fulfilment of the Buyer's obligations, the advance payments will be retained by the Supplier as compensation, according with the provisions of Article 1526 of the Italian Civil Code.

WARRANTY

The Supplier gives a one-year warranty on sold goods, starting from the date of shipment.

The warranty automatically becomes void if the defect results from the Buyer's behaviour, if the products prove to have been tampered with, or used in a manner different from their normal employment, or there have been interventions on them by third parties. Any defects of the sold products shall be reported to the Supplier in writing within 8 days from their delivery.

The products under dispute can be returned to the Supplier only by previous arrangements made on a case by case basis.

In any case the warranty on defective products is limited to repairing or replacing them, excluded any other responsibility.

The costs of returning the products sent to the Supplier under warranty, as well as any costs of packaging and any other expenses hereof shall be borne by Buyer.

EXEMPT FROM LIABILITY

The Buyer declares to know all the limitations and safety rules on the use of the products. Therefore the Supplier shall be exempted from any liability for any direct or indirect damage caused to persons or property by the use of supplied products.

APPLICABLE LAW AND JURISDICTION

Any dispute arising from this contract, concerning the validity, interpretation, performance and/or termination of sale and these conditions shall be settled by the court of Bologna.
